On 04/07/2021 at approximately 2116 hrs, Elias Huizar called to report threats made to him during a phone conversation with his soon to be ex-wife, Amber Rodriguez.

I contacted Elias by phone. Elias explained that he and his wife, Amber are currently going through a divorce. They have 4 children together 1, 2, 3 and 6 years of age. Per their parenting plan, he is allowed to call his children by phone before they go to bed. Elias explained that after speaking with his children, Amber got on the phone. They confirmed custody exchange of their children to take place on 04/08/2021 at 1530 hrs at Wiley Elementary as court directed. Following this, Elias alleged that Amber told him that if he "causes any problems, my dad is going to shoot

Officer's Narrative (continued)

you" and then ended the call. Elias identified Amber's dad as 65 year old David Rodriguez. He denied that David made the threat himself and has not contacted him after his contact with Amber.

Elias then explained that on 03/29/2021, WRPD Officers had to respond to Wiley Elementary reference a "disturbance" where David "threatened" him. Elias said David stated, "if you don't stop, you're going to get yourself into trouble". Elias was adamant that this statement was a threat, however could not articulate how or why. He did mention that David is a Military Veteran and that he has access to firearms.

I looked up this case for service in I-Leads (WRPD 21-01295). The reporting party, the principal of Wiley Elementary indicate a verbal argument between Elias and Amber had transpired. It also mentions that Elias engaged in a verbal argument with David and that he was "stepping forward toward him" in a manner concerning enough for the principal to step between them in attempt to deescalate the situation.

I advised Elias that I would contact Amber and follow up with him after.

At approximately 2130 hrs, I spoke with Amber over the phone. I explained to Amber my reason for contacting her and she stated that she was "shocked" but "not surprised". Amber denied making the statement and added that her sister, Jennifer Shinkoethe had witnessed the entire conversation as the phone was on speaker.

Amber confirmed that she and Elias are going through what she described as an "ugly" divorce and that they have 4 young children together. Amber said that they both have attorney's and that due to Elias's history of verbal abuse and attempts to incite fights she has been advised never to be alone with Elias and to have witnesses present for all contacts with him. Thus the reason she had Jennifer witness her conversation with Elias tonight. Further she is seeking a no contact order against Elias. Amber said that at no time did she make any threats and/or comments that would lead Elias to believe that she or David would "shoot" him. She said their conversation was regarding confirmation of their custody exchange on 04/08/2021 and about their 6 year old son's doctor telling her that only one parent could be present for an upcoming appointment due to COVID restrictions. Amber said that Elias got upset accusing her of trying to prevent him access to his son and his appointments. Amber said she tried to explain to him that was not the case that she was just passing on what the doctor told her. When he didn't listen to reason, she ended the call.

Amber advised me that her sister, Jennifer Shinkoethe was still at her house and had agreed to make a statement as a witness.

In speaking with Jennifer, she reminded me that we had spoken a few weeks earlier. (WRPD 21-01143). That incident involved Elias telling her ex-husband that an uncle had sent inappropriate text messages to their teenage daughter. At that time, Jennifer told me that Elias is a Yakima Police Officer that was on some sort of "leave" where he was stripped of his department firearm as well as his patrol vehicle. Jennifer is Amber's sister and David's daughter.

Jennifer confirmed overhearing Amber and Elias's conversation tonight. Jennifer reiterated the content as Amber had denying that Amber made any threats and/or indication that David or anyone else would "shoot" Elias. Jennifer further expressed concern with Elias "escalating" behavior especially with him having police training and is an MMA fighter. Through her concerns, she cites the above case and his intent to create family drama, causing disturbances at his children's school where it appears he attempted to incite a physical altercation with David, being threatening and intimidating to Amber to such a degree that she fears for her safety to the point that she always

has a witness with her during contacts. Jennifer said that she has seen, following YPD stripping Elias's handgun, him in possession of an AR-15.

In speaking with both Amber and Jennifer they both express Elias's increased volatility and possible retaliatory reports made to WRPD due to Amber and Elias's impending divorce. This is now the fourth report made to WRPD involving Elias. Amber plans to contact her attorney in the morning to pursue obtaining a no contact order and will continue to have her contacts with Elias witnessed.

At approximately 2200 hrs, I spoke with Elias's advising him that after speaking with Amber and her witness (not disclosing Jennifer's name) that there was not enough evidence to substantiate his claim. Elias stated, "of course there isn't because Jennifer has her (Amber) back". I advised Elias that due to their claims of his escalating behavior and incidents involving the appearance that he is trying to incite fights amongst the family they have taken on the position of Amber always having a witness to all contacts with him. Lastly, I advised him that as a police officer, he knows there are better ways to handle these situations. Elias requested his case number and ended the call.

3/21/2021
Case 21-01008
Forgery

On 3/10/2021 at approximately 1755 hours while working a uniformed patrol shift in the city of West Richland, WA County of Benton, I was dispatched to a fraud report at 1822 Hummingbird Court. The reporting party stated his ex had forged his name on a document.

I contacted the reporting party Elias Huizar 12/7/1984, at 4810 Holly Way who stated his soon to be ex-wife, Amber M. Rodriguez 5/16/1992, had forged his signature on a medical bill and he had proof of her doing so. Elias stated that in 2020 while he and Amber were on vacation, Amber had a medical emergency and had to be transported to a hospital by ambulance. Elias stated he and Amber have been separated and living apart since December of 2020. Elias stated that in January of 2021 he received a notification on his phone via a Hewlett Packard (HP) app, that various documents had been faxed from a printer/fax machine which he and Amber shared while they were married. Elias stated he was

Officer's Narrative (continued)

able to view the documents which were faxed, and they appeared to be medical bills addressed to Amber. Contained within the documents was a letter addressed to Amber from Medix Ambulance Service Inc. titled Patient Financial Statement. The document explains what documents are needed for Medix Ambulance Service Inc to provide financial assistance with the medical bill. The document states that Amber needed to provide a pay stub, bank statements, tax return, W2's and copies of household/medical bills. Elias also provided a financial expenses form in which Amber claims she receives \$1400 monthly for child support. Elias told me he does not currently pay child support to Amber, as he has not yet been ordered to.

Elias then showed me a document which he stated Amber had created, then sent using the same HP fax machine. The document states the following: "I, Elias Huizar and Amber Rodriguez are legally separated. As of now I do not have any court ordered documents for child support due to courts being closed for COVID. However, I am sending Amber Rodriguez \$1400 a month in child support to support our two children who are currently residing with her. Thank You, Elias Huizar (signature on document)" Elias told me he did not create the document and did not give Amber permission to use his signature on this document. Elias sent me a copy of his Washington State driver's license which has his signature printed on it. I noted that the signature on his license does not match the signature which is on the document he claims Amber created.

While I was speaking with Elias, he was able to open the HP app on his phone and show me all the documents he claimed Amber had faxed. Elias opened the fax history log and showed me Amber had sent a fax from 509-830-3437 to 503-215-8509, and that fax was delivered at 12:31 on 12/22/2020. I noted 509-830-3437 is the number which I was later able to contact Amber using. Elias later provided me with a copy of the fax history log. I noted that when I did an internet search for 503-215-8509, the search returned to Providence Hospital. Elias was able to show me the document that was sent using the HP app and it was the same document which Elias told me he did not create or sign.

Elias told me he believed Amber had already used the same forged document to get financial forgiveness from Medix Ambulance Service Inc and that she was now using that document for financial forgiveness with Providence Hospital. Elias provided me with copies of all the documents he stated were sent by Amber and they were added to the case file.

On 3/11/2021 I contacted Amber and asked if she was willing to speak with me regarding this case. Amber stated she did not want to speak with me without her attorney present. I did not ask Amber any questions regarding this case. Amber stated she would contact her attorney to setup a time to meet with me and have her attorney present.

As of 03/21/21 I have not heard back from Amber.

Based on the above circumstances, I believe there is probable cause to charge Amber M. Rodriguez with RCW 9A.60.020 Forgery.

This case will be forwarded to the prosecutor for a review of charges.

End of report.

D. Flores W30

I, Elias Huizar and Amber Rodriguez are legally separated. As of now I do not have any court ordered documents for child support due to courts being closed for COVID. However, I am sending Amber Rodriguez \$1400 a month in child support to support our two children who are currently residing with her.

Thank You,

Elias Huizar

On 03/19/2021 at approximately 1207 hrs, Winston Shinkoethe called to report suspected inappropriate communication between his 15 year old daughter and her uncle.

I contacted Winston by phone. Winston explained that he is the father of [REDACTED] and that he is divorced from her mother, Jennifer. [REDACTED] primary resides with Jennifer [REDACTED] West Richland, WA. [REDACTED] has every other weekend visitation and resides at [REDACTED] Richland, WA. Winston told me that about a week ago, he was informed by his Brother-In Law, Eli (who is allegedly a Yakima Police Officer) that [REDACTED] disclosed to his wife, Amber that during the summer of 2020, her 35 year old Uncle, Joshua Lozano was having "inappropriate" conversations with her via Snap Chat. Winston had limited information about the context of the conversation but was told that it involved Josh discussing struggles within his marriage with her. Allegedly, [REDACTED] also told Amber that the conversation made her "uncomfortable" to the point that she no longer wants to be around Joshua.

Winston recently spoke with [REDACTED] about the information. She confirmed having prior conversations

Officer's Narrative (continued)

with Joshua via Snap Chat but would not provide him any specific information as to the content. He said she did confirm that she does not "like to be around him" and chooses not to attend family gatherings that involve him. She also confirmed that Jennifer was aware of the situation and had "taken care of it".

Winston said he had not spoken with Jennifer about the information as he did not want to "start anything".

I advised Winston that I would contact Jennifer and [REDACTED] regarding this information.

At approximately 1245 hrs, I called Jennifer leaving her a message to contact me. I then called Blake. No message system allowed for a message to be left.

At approximately 1600 hrs, I attempted a second call to Jennifer and [REDACTED]. Both calls went unanswered and I left a second message for Jennifer.

On 03/20/2021 at approximately 1200 hrs, I made a third call to Jennifer and [REDACTED]. I left a message for Jennifer requesting she return my call.

At approximately 1220 hrs, Jennifer returned my call. As I began to explain the situation and how I learned of the information, she stopped me and stated, "oh this makes sense". She confirmed knowledge of Joshua's conversations with [REDACTED] via Snap Chat as Blake told her and had shown her the messages in the summer of 2020. Jennifer said they were not "inappropriate" in any sexual ways, but "inappropriate" as he was "trying to parent her" telling her "what to do" like asking her "why she was on Snap Chat while she should be doing her homework" and that she shouldn't be posting certain things. Jennifer came to her "annoyed" with Joshua's behavior asking her to tell Joshua to leave her alone. Jennifer said she told Joshua to knock it off and that there has not been any further issues. Jennifer said that [REDACTED] does "keep her distance" from Joshua but only because she thinks "he is annoying" not because she is in fear.

Jennifer further explained that she believes this is coming to light now because her sister, Amber is currently in the middle of a "nasty" divorce and custody battle with Eli. She said that Eli and Winston have never been close but occasionally see each other in child exchanges. She suspects that Eli provided this information in attempt to gain Winston's support through his divorce/custody situation. Further, Jennifer confirmed that Eli is a Yakima Police Officer and that he is currently on "leave" from Yakima PD for unknown reasons but that as result he had his service weapon seized from him. Jennifer also mentioned, which I agree with that especially with Eli being a Police Officer (mandated reporter) if there were legitimate concerns in the summer of 2020 about the conversation why did he not intervene and/or advise them or [REDACTED] to notify local law enforcement to make a report instead of waiting until now to do so.

Jennifer assured me that [REDACTED] is safe and that the situation in 2020 was not illegally inappropriate. She further advised that both she and [REDACTED] are very direct people and would not tolerate that type of behavior and would report it to police immediately.

At approximately 1229 hrs, I notified Winston of the outcome of this investigation. Winston sounded disappointed and asked "then why is Jennifer keeping [REDACTED] away from Josh?" I explained that it sounds like [REDACTED] actually chooses not to be around Joshua because she finds him "annoying" vs. Jennifer "keeping" her away from him. In my experience, as both as an officer and as a mother of teenagers, they usually choose not to want to be around people that "annoy them". Winston thanked me for looking into this matter and advised that he would recontact me if he discovered any

The Eli mentioned in this report is Elias Huizar. Elias is a Yakima Police Officer however it has been mentioned that he is on some sort of "leave" where he was stripped of his department firearm as well as his patrol vehicle. Elias is currently going through a divorce from Amber Rodriguez. They share 4 children. Since this report, there are now three reports showing increased volatility and possible retaliatory reports made to WRPD due to their impending divorce.
